

COMPANY FACT SHEET 2023

Knights Brown is a privately owned and independent construction company with its head office in Ringwood, Hampshire.

COMPANY DESCRIPTION

Predominantly our multi-disciplinary construction services are delivered to customers based in southern England and Wales. Our Wales & Energy Division provides specialist services to customers in the energy sector all over the UK and in the Republic of Ireland.

Knights Brown's heritage dates back to 1953 when it was first established in the New Forest by Raymond Brown. Our name was legally changed to Knights Brown on 1 September 2017.
